To the Superintendent of the Phila. Mint.

Dear Sir;

Can you give me the address of a Mr Morgan who designed the Briggard dollar and who was in your employ during 1889 and 1890. He designed a piece for the South Dakota Suffrage association and I wish to communicate with him upon the subject. If you will kindly place this letter before him (if he is with you) that I may learn if he still holds the dies of the Dakota piece.

Yours truly.
